

tradias is a fast-growing start-up with offices in Frankfurt, Athens and Toronto. Based on the in-depth expertise of our banking partner, Bankhaus Scheich - one of Germany's leading securities trading banks and a major market maker on the Frankfurt Stock Exchange - we offer our institutional clients a secure platform for trading digital assets. In addition to trading, we offer a wide range of services for digital assets.

IT Security Engineer (m/f/d) Frankfurt am Main, Germany

You are looking for a dynamic environment in which you can use your strengths and develop yourself further? Our agile FinTech is the place to be for you! Grow with us and let's innovate the European crypto and digital assets universe together.

Your Tasks:

- Design and implement security solutions for our cloud infrastructure
- Conduct vulnerability assessments and take ownership of penetration testing
- Monitoring system security and tracking vulnerabilities
- Develop and implement security policies, procedures, and guidelines
- Ensuring best-practices w.r.t. security in coding
- Education and training of staff on security best practices and awareness
- Advise development and DevOps teams on security aspects of architectural design
- Perform regular and documented security testing on the existing application (i.e. BurpSuite)

Your Profile:

- Hands-on experience with security technologies such as firewalls, IDS/IPS and SIEM solutions
- In-depth knowledge of cybersecurity frameworks and standards including ISO 27001, and GDPR compliance
- Proficient in incident response and forensic analysis
- Familiarity with cloud security practices and tools (e.g., AWS, Azure, Google Cloud)
- Experience with network security protocols and secure network design
- Strong understanding of encryption technologies and secure data transmission methods
- Enthusiasm and initial experience in the area of digital assets are preferred
- Team spirit, high level of commitment and initiative
- Excellent German and English skills

tradias offers:

- Work with experts from the digital assets / crypto industry
- Flat hierarchies
- Flexible working hours with home office options
- International and modern working environment
- Strongly motivated young and dynamic team
- A high degree of self-reliance, responsibility, and development perspective
- 30 days vacation/year
- Attractive compensation package
- Team and company events
- A modern office right in heart of the financial center Frankfurt

Be part of our driven team! Send us your complete application via e-mail to the address karriere@tradias.de, stating the earliest possible joining date and your salary expectations.

Formulations referring to individuals in the job advertisement are to be considered gender-neutral.

tradias is an Equal Opportunity / Affirmative Action employer.
